If you're still confused by the installation instructions, please scan the QR code and watch the video above for more detailed installation steps.

TWO WAYS TO USE

1. Arm-mounted Way Used

Step1

Place the moving strap under the furniture in an X shape.
Notice: Please place the metal buckle side towards the floor.

Step2

Pass your arm through the straps.

Step3

Congratulations, now you can move items by adjusting the length.

2.Shoulder-mounted Way Used

Step1

Place the moving strap under the furniture in an X shape.
Notice:Please place the metal buckle side towards the floor.

Step2

Put on the vest.

Step3

Flip the strap and attach the buckle to make the "up" sign overlapping on the vest and the strap.
